

Volunteer & Employee Driver Information

See the info below regarding the requirements for anyone driving on church or school business. **This is required of both employees and volunteers who are either driving their personal vehicle for church/school use, driving a parish/school owned vehicle or driving a parish/school leased vehicle.** This would include something as simple as running an errand to pick up an item from the grocery store to driving children to retreats and field trips. The Employee/Volunteer Driver Requirements Checklist and the Volunteer and Employee Driver Form are required of each driver. The “Be Smart/Drive Safe” video must be viewed on the CMG website. See the attached flyer. **Upon completion, please print your certificate to verify you viewed the video.**

Please see the attached forms. I have listed these and noted their importance.

1. **Employee/Volunteer Driver Requirements Checklist** – This is a checklist to be used for each volunteer & employee driver. All ten steps need to be completed.
2. **Volunteer & Employee Driver Form** – This is Item #5 on the checklist. This needs to be completed for each volunteer & employee driver.
3. **Be Smart/Drive Safe Video** – The attached “CMG Connect” document explains how to access our training videos that includes the Be Smart/Drive Safe video.

Please contact Alex Hagan of Catholic Mutual if you have any questions or concerns at 404-920-7377 or ahagan@catholicmutual.org.

IMPORTANT REMINDER: 10-15 Passenger vans are not allowed for use in the Archdiocese of Atlanta. There are numerous safety issues related to the use of these vans. The 15 Passenger Activity Buses are the best option if a vehicle this size is needed. Bus Max is the company that most of our churches/schools use for rental of these type vehicles.
